Vancouver Island Society for Adaptive Snowsports (VISAS) Awareness Day

March 8, 2020 is VISAS Awareness Day on Mt. Washington. This event will showcase our Adaptive students and instructors while educating spectators about our non-profit Society. We are taking this opportunity to raise awareness and funds for the necessary Adaptive Equipment and Instructor Training we require to run our programs. Our Adaptive Snowsports program introduces individuals aged 6 and older with physical and/or developmental challenges to the freedom and therapeutic benefits of skiing and snowboarding.

We are a registered non-profit charity with the Canada Revenue Agency that relies solely on fundraising for our income. We are asking for your support. We would greatly appreciate donations for our Silent Auction or any monetary donation to our society.

Please come out to the FUN Race Course set-up by the Tube Park Carpet from 10:00am-12:00pm and see what we are all about. Enjoy a hot drink, view and bid on our Silent Auction and have an opportunity to purchase tickets for our Fabulous Raffle and 50-50 draw! Our Silent Auction will end at 2:30pm, and the Raffle/50-50, will be drawn at 3pm. (Attendance not required) Monetary donations can be made at the event or online at www.visasweb.ca/donations

Tax receipts will be mailed.

If you have any questions about the event, contact Rae-Lyn Hennessy at fundraiser@visasweb.ca.
