January 16th, 2024

To whom it may concern,

VISAS is an Adaptive Snowsports program that introduces individuals aged 6 and older, living with physical and/or developmental challenges, the freedom and therapeutic benefits of skiing and snowboarding with our CADS certified instructors. We are a registered non-profit charity with the Canada Revenue Agency that relies solely on fundraising for our income. We are asking for your support.

Sunday February 25, 2024 is VISAS Awareness Day on Mt. Washington. This event will showcase our Adaptive students and instructors while educating spectators about our non-profit society. We are taking this opportunity to raise both awareness and funds for the necessary Adaptive equipment and Instructor Training/Education we require to run our programs.

Leading up to this event we will have our Silent Auction online. On the day itself people will have the chance to look at items in person and if they win; take the items home right away. We would greatly appreciate donations for our Silent Auction or any monetary donation to our society.

Please come out to the FUN Racecourse set-up by the Tube Park Carpet from 10:00-12:00 and see what we are all about. Enjoy a hot drink, view our Silent Auction items and have an opportunity to purchase a ticket for our Fabulous Raffle! Our Silent Auction will end at 3:00 pm. (Attendance not required)

Monetary donations can be made at the event or online at www.visasweb.ca. Tax receipts will be mailed. If you have a donation please email us at fundraiser@visasweb.ca so we can arrange pick up. Donations can be products or gift cards, gift baskets, honestly everything is welcome. We will need all items by Friday February 23rd, 2024 at the latest.

Many thanks in advance for your consideration.

Kind regards,

Sébastien Braconnier & Marije Wagenmakers
