

All Mountain Camps 2025

When & Where:

Sun Peaks Resort

January 16—19, 2025

Banff-Sunshine Village

April 10—13, 2025

Who:

Intermediate to advanced skier or snowboarder who can confidently ski/ride a blue run, linking turns with control and load lifts independently. This camp is run in a group environment with one coach per 4 to 5 participants.

BC Adaptive Snowsports All Mountain Camps (AMC) are multi-day camps in partnership with Rocky Mountain Adaptive geared to the intermediate to advanced skier or snowboarder who can confidently ski a blue run while linking turns with control. Endorsed by Alpine Canada as part of their development stream and Carving the Future initiatives, AMCs offer a mix of race and all mountain skill development. Lead by top para-coaches in Canada, AMCs provide adaptive alpine and snowboard participants the opportunity to build confidence, work on technique, and socialize with peers.

The focus of the camp is race and all mountain skill development featuring national coaches and is set in a group environment.
